Description :

Prsentation de l'diteurThe second volume in the award-winning Underwood and Flinch Chronicles.Lord Underwood has risen from the grave, and with David forced into his service as Guardian, he begins to enjoy the nightlife of Almacena. He develops a particular fondness for La Reina de Corazones - or rather, its landlady, Michelle. David does not approve, and neither does Lydia, for she and the Black Circle have plans for Underwood that definitely do not include Michelle plans that involve Underwood granting them the

vampiric gift of eternal life. And if Underwood won't grant that gift by choice, they'll take it by force.

Bonded in Blood, the second of the Underwood and Flinch Chronicles, continues events started in Resurrection. It also reveals how, in the early 18th Century, Underwood became a vampire and how he and the Flinch family became forever Bonded in Blood.- One of the best podcasts ever - Walt Kolenda, Examiner.com Winner of the Polidori Award for Best Vampire Novel 2010 and 2011. Finalist in the 2010 Parsec Awards and Winner in 2012. Presentation de l'diteur The second volume in the award-winning Underwood and Flinch Chronicles.
