Description :

Prsentation de l'diteurA code only she can break...A man only she was made for... Julie Trueblood's name is found alongside an encrypted message in the safe deposit box of a dead man, bringing Navy investigator Hank Jared to her door, looking for answers. The daughter of the most infamous spy of the twenty-first century, Julie denies any knowledge of the man or the cipher and sends Hank away. Hank is supposed to be in the Adirondacks walking his sister down the aisle, not chasing leads on a John Doe murder investigation that doesn't even appear to be Navy-related. He's a military man through and through, and while an order is an order, he hasn't given up hope of finding a way to make the ceremony. When Julie contacts him and says

her life is in danger, Hank finds the perfect place to hide her, right by his side, pretending to be his girlfriend at his sister's wedding. Now he just needs to remember their relationship is all an act. Sparks fly between Hank and Julie as they defend against a hidden enemy and seek out the truth in this deadly game of cat-and-mouse. The coded message brought them together, but its secrets hold the power to tear them apart. Guided by her generous and quirky Aunt Gwen, Julie will gather the courage to unravel the cipher that was meant for her to decode, as she learns to trust the man she was meant to love.
