Description :

Presentation de l'diteurI returned from Viet Nam a traumatized man. PTSD, they call it now. I tried to live a normal life, even found myself a good woman. She understood the demons I faced, the nightmares that kept me awake.If it weren't for her, I probably would've eaten a bullet years ago. So why does everyone think I killed her? I tried to tell them it was the Teddy Bears, but no one believes me. Were they real or just a nightmare?Presentation de l'diteurI returned from Viet Nam a traumatized man. PTSD, they call it now.
