Description :

Prsentation de l'diteurA compelling and secret love story set in the aftermath of World War One by award-winning author Marion Husband.November 1919War hero Paul Harris returns from the trenches and finds himself torn between desire and duty. His secret lover Adam awaits him but so too does Margot, the pregnant fiance of his dead brother.Set in a time when homosexuality was the love that dare not speak its

name Paul has to decide where his loyalty and his heart lie. Praise for *The Boy I Love* As with all the best novelists, Husband's talent seems to draw its energy from the experience of writing from perspectives far removed from her own as she inhabits other genders, other sexualities, other eras. Her ventriloquism is compelling. Author Patrick Gale Winner of The Andrea Badenoch Award, Husband's novels are compelling page turners with hidden secrets and complex love lives that vividly convey the aftermath of dreadful conflicts. Marion Husband never shies away from describing life - and death - or the physical side of her characters' sexual relationships. The Northern Echo Husband's stunning writing and inspired prose lend well to her honest characters. Her writing is incredibly easy to read and sucks you in to the story immediately - read when you're in the mood for something intense and moving. *Three Dollar Bill* s, USA *Revue de presse* Husband's writing is notable for an understated yet intense sympathy for the movements of the heart. Impressive. --The Guardian *Présentation de l'auteur* A compelling and secret love story set in the aftermath of World War One by award-winning author Marion Husband.
