Description : Description du produitSet in Oxford and Naples during the 1840s, The Lost Stradivarius is a tale of demonic possession and of the terrible price paid by "those who would exalt art at the expense of everything else." Though long recognized as a classic and gripping story of the occult, it is also a work which touches the "decadent" years of the nineteenth century at sensitive points--the psychical, the moral, and the aesthetic. This is the only annotated edition available and it contains extensive notes about the Aesthetic Movement, neoplatonism, and musical instruments.

Prsentation de l'diteurJohn Meade Falkner was an English novelist and poet best known for his thriller novel Moonfleet, but he also wrote weird fiction, including this supernatural novel. Prsentation de l'diteurJohn Meade Falkner was an English novelist and poet best known for his thriller novel Moonfleet, but he also wrote weird fiction, including this supernatural novel. Publisher commentsChilling in the extreme, The Lost

Stradivarius is a classic tale of the supernatural from the author of Moonfleet.
