Prsentation de l'diteur#1 New York Times bestselling author Nora Roberts presents the electrifying conclusion to her powerful Circle Trilogy. Worlds have collided and centuries have elapsed as six people have brought their unique powers, their courage, and their hearts to a battle that could drown humanity in darkness Her face, so pale when shed removed her cloak, had bloomed when her hand had taken the sword.

Her eyes, so heavy, so somber, had gone as brilliant as the blade. And had simply sliced through him, keen as a sword, when they met his. In the kingdom of Geall, the scholarly Moira has taken up the sword of her people. Now, as queen, she must prepare her subjects for the greatest battle they will ever fight against an enemy more vicious than any they have seen. For Lilith, the most powerful vampire in the world, has followed the circle of six through time to Geall. Moira also has a personal score to settle. Vampires killed her mother and now, she is ready to exact her revenge. But there is one vampire to whom she would trust her soul. Cian was changed by Lilith centuries ago. But now, he stands with the circle. Without hesitation, he will kill others of his kind and has earned the respect of sorcerer, witch, warrior, and shape-shifter. But he wants more than respect from Moira even though his desire for her makes him vulnerable. For how can a man with an eternity to live love a woman whose life is sure to end if not by Lilith's hand, then by the curse of time? Don't miss the other books in the Circle Trilogy: *Morrigan's Cross*, *Dance of the Gods*. From the Trade Paperback edition. From Publishers Weekly. Starred. Roberts's paranormal Circle Trilogy concludes with the "circle of six" warriors: the sorcerer Hoyt, Hoyt's vampire brother Cian, the witch Glenna, the warrior Blair, the shape-shifter Larkin and Larkin's scholar-princess cousin Moira preparing for battle against the evil vampire, Lilith. Having traveled back through time to Moira and Larkin's ancient kingdom of Geall, Moira raises the sword from the stone to take her place as queen. With her five warrior companions by her side, Moira leads her people into battle against Lilith's army of vampires, who are intent on destroying Geall. Meanwhile, Moira and Cian give in to powerful feelings of love, stealing nights of passion that could spell ruin for both of them. As war befalls the kingdom, Roberts brings the same precise, resonant energy to battle scenes that make her sexual interludes shine, grounding magic, dragons and vampires in a believable world. The truest moments of this novel, however, belong to Roberts's fully formed characters, especially in the love sacrifices of Moira and Cian. Completing her series with the real-world complications of selfless, star-crossed love, Roberts has crafted a fantasy-romance trilogy with strong appeal for romance fans of all stripes. (Nov.) Audiofile In this last book of Roberts's Circle Trilogy, an apocalyptic battle is looming in the Valley of Silence, a magical and haunted place in the land of Geall. The Circle--a sorcerer, a demon hunter, a witch, a shape-shifter, a scholar/queen, and a vampire--are fighting for the very survival of their worlds. They are pitted against the army of the beautiful and vicious Lilith, the vampire queen. Dick Hill's narration gives further evidence why he is an AUDIOFILE Golden Voice and Audie winner. Even if you're not a fan of this genre, Hill does such a convincing job as each character that one cannot help but be entertained by this action-packed tale of good versus evil. A.C.P.
