## Description :

Présentation de l'auteur So who put the body in with the spring bulbs? The merest hint of spring has arrived in Cheshire, and so has young reporter Daisy Dalrymple. The feisty flapper's visit is a breath of fresh air for gloomy Occles Hall. But while photographing the rather barren grounds, Daisy spots that someone's been digging among the first green shoots - and much to her horror unearths the corpse of missing parlour maid Grace Moss. So begins an extraordinary adventure, as first the dead woman's shocking secret is revealed and then Daisy swiftly realizes she needs to catch the killer before she herself is left pushing up the daisies . . . Praise for the Daisy Dalrymple series: 'Manners (P G Wodehouse-style) and mystery get equal time in a low-key story with considerable charm.' Kirkus s'Engaging . . . Dunn's style gives an entertaining spark.' Publishers Weekly
