Description :

Prsentation de l'diteurSurrounded by the aura of magic, witches have captured our imagination for millennia and fascinate us now more than ever. No longer confined to the image of a hexing old crone, witches can be kindly healers and protectors, tough modern urban heroines, holders of forbidden knowledge, sweetly domestic spellcasters, darkly domineering, sexy enchantresses, ancient sorceresses, modern Wiccans, empowered or persecuted, possessors of supernatural abilities that can be used for good or evil or perhaps only perceived as such. Welcome to the world of witchery in many guises: wicked, wild, and wonderful!Prsentation de l'diteurSurrounded by the aura of magic, witches have captured our imagination
